Forging Partnerships for Community Health & Wellness

FREE EVENT Wednesday 10th April 2019 12.45 – 16.00

This FREE event is for anyone wanting to explore how local churches and healthcare providers can work together to tackle major health issues in their local communities.

Come along and hear about how, through Parish nursing, faith and health providers can work in partnership to address health issues in their locality. You will hear about some examples of successful partnerships in other parts of the UK and from the people delivering the groundbreaking partnership between the Parish nursing service in Barrow in Furness and the local NHS Hospital that's' achieving real and tangible results.
